PROFESSIONAL SUMMARY

Ambitious **Full Stack Developer** and **AI/ML Intern** currently pursuing a B.E. at Government Engineering College, Hassan. Experienced in building secure web applications and AI-driven systems, including RAG-based models. Proven technical proficiency through multiple specialized internships at **SVL Technologies**, focusing on **Python, Java, and SQL Server**. Strong technical leader and communicator fluent in **English, Kannada, Hindi, and Tamil**.

TECHNICAL SKILLS

- **Languages:** Java, Python, JavaScript, HTML5, CSS3.
- **Web Development:** React.js, Full Stack Development, Responsive Design.
- **AI/ML:** Retrieval-Augmented Generation (RAG), AI/ML logic.
- **Databases & Cloud:** SQL Server, Database Management, Cloud Computing.
- **Tools:** Project Management, Git/GitHub, Chrome Extension Development.

INTERNSHIP EXPERIENCE

SVL Technologies Pvt Ltd. | *Hassan, Karnataka*

- **Python & Cloud Computing Intern** (Feb 20, 2023 – June 16, 2023): Focused on cloud-integrated Python scripting and scalable computing models.
- **Programming & DSA Intern** (Jan 2, 2023 – Jan 12, 2023): Strengthened foundations in logical data structures and algorithms.
- **Database & SQL Server Intern** (Sept 9, 2022 – Sept 29, 2022): Explored efficient data storage and retrieval in real-world environments.
- **HTML & CSS Intern** (April 4, 2022 – April 23, 2022): Built responsive layouts and styled modern user interfaces.

PROJECTS

Hybrid Intrusion Detection System (HIDS)

- Developed a security tool for Chrome and other browsers to prevent unauthorized access.
- Designed to detect and block unauthorized web activity in real-time.

Atmosphere: Live Weather Intelligence

- Built a real-time weather app using React to fetch and display live meteorological data.

Online Bike Rental Project

- Engineered a full-stack platform for inventory management and user bookings.

EDUCATION

- **Bachelor of Engineering (B.E.)** | Government Engineering College, Hassan (GECH) | **Ongoing**
- **Diploma in Computer Science & Engineering** | Rajeev Polytechnic, Hassan | **Completed**

LANGUAGES

- **English** (Professional)
- **Kannada** (Native)
- **Hindi** (Conversational)
- **Tamil** (Conversational)
